

# Help us to help you by informing Dutch communities about your needs!

## Please participate in NADIYA, a Dutch National research study

### For whom?

- People from Ukraine who arrived in the Netherlands after February 24<sup>th</sup> 2022
- Adults
- Teenagers
- Children (8 years and older)

### What are you asked to do?

Complete online survey

- Questions about your experiences, daily challenges & health

Duration surveys:

- Adult, max 30 min
- Teenager, max 20 min
- Children, max 15 min

Available In Ukrainian, Russian and English

### Why participate?

Help us to help you.

We want to support Ukrainians living in the Netherlands.

Your answers help us inform Dutch communities how to improve services for you

- Health care
- Education
- Accommodation

### How do you participate?

- Go to website: <http://nadiya.sites.uu.nl/survey>
